

How to access delirium E-learning training

A.N. Thomas July 2020

Delirium E-Learning- Why?

- Delirium is a very distressing condition that is common in the critical care unit.
- It is associated with an increased risk of death and long term disability.
- Patients may be suffering from delirium without this being obvious and so it has to be actively looked for.
- There are strategies to decrease the incidence of delirium and then mitigate its impact.
- These strategies can only be implemented if we know about them.
- Because of this all staff working in critical care should have a basic knowledge of how to identify, prevent and then manage delirium.
- We have produced an E-Learning course that should provide an introduction to the management of delirium and this course should be done by all new starters in critical care.
- The following slides explain how the E-Learning course can be accessed.

Log on to Moodle from the online systems part of the intranet site

The screenshot shows a web browser window displaying the intranet page for 'On-line system' at intranet.srht.nhs.uk/policies-resources/on-line-system/. The page header includes the date '11:13 - 07 July 2020', navigation links for 'login', 'imst only', 'accessibility', 'widescreens', and 'text size', and the Salford Royal NHS Foundation Trust logo. A navigation menu contains links for 'Search Our Site', 'Welcome', 'About Us', 'News & Publications', 'Corporate Services', and 'Phonebook'. Below the menu, a 'Safe • Clean • Personal' banner is visible. The main content area is titled 'Online systems' and contains a paragraph of introductory text. It is organized into three columns: 'Clinical Systems', 'Non-Clinical Systems', and 'Reporting Systems'. The 'Non-Clinical Systems' column includes a red arrow pointing to the 'E-Learning & Mandatory Training Booking' link. The 'Reporting Systems' column includes a link to 'Moodle (Staff Learning)'. The Windows taskbar at the bottom shows the search bar and system tray with the time '11:13 (07/07/2020)'.

Select 'Courses' and then 'Critical Care'

The screenshot shows a web browser window displaying the Salford Royal NHS Foundation Trust learning portal. The browser's address bar shows the URL: <https://www.salfordlearning.nhs.uk/course/index.php?categoryid=5>. The page header includes the Salford Royal NHS logo and the user name 'Antony thomas'. On the left, a navigation menu is visible with the 'Courses' option highlighted in blue. A red arrow points to this 'Courses' menu item. Below the navigation menu, there is a search bar for courses. The main content area displays 'Salford Royal NHS Foundation Trust' and 'Dashboard / Recently viewed pages... / SRFT Staff'. A dropdown menu for 'Course categories' is set to 'SRFT Staff'. Below this, there is a search bar for courses and a list of course categories. The 'Critical Care' category is highlighted in blue, and a red arrow points to it. Other categories listed include 'HelpWith:', 'Core Skills & Mandatory Training', 'Personal and Professional Development', 'ManagerZone', and 'Emergency Policies'. The Windows taskbar is visible at the bottom of the screen.

Then 'Delirium for critical care'

The screenshot displays the Salford Royal NHS Foundation Trust learning management system. The browser address bar shows the URL: <https://www.salfordlearning.nhs.uk/course/index.php?categoryid=17>. The page header includes the Salford Royal NHS Foundation Trust logo and the user's name, Antony Thomas. The main content area is titled "Salford Royal NHS Foundation Trust" and shows a breadcrumb trail: Dashboard / Recently viewed pages... / SRFT Staff / Critical Care. A search bar for courses is present, with the current category set to "SRFT Staff / Critical Care". Below the search bar, a list of course categories is displayed: Critical Care, Critical Care Education (with an "E-Learning" tag), and Delirium for Critical Care. A large red arrow points to the "Delirium for Critical Care" category. The footer of the page indicates the user is logged in as Antony Thomas and provides links for "Log out", "Privacy policy", and "Troubleshooter". The Windows taskbar at the bottom shows the system time as 11:21 on 07/07/2020.

Click on the gold coloured box

The screenshot shows a web browser window with the URL <https://www.salfordlearning.nhs.uk/course/view.php?id=317>. The page is for the 'Delirium for Critical Care' course on the Salford Royal NHS Foundation Trust website. The user is logged in as 'Antony thomas'.

The page layout includes a sidebar with navigation options: Dashboard, Courses, Profile, SRFT Induction, SRFT Staff, Medical Students, PG Trainee Doctors, Volunteers, and Troubleshooter. Below these is a search bar for courses and a list of course categories: Delirium for Critical Care, Badges, Competencies, Patient Contact Induction, and ANTT.

The main content area is titled 'Delirium for Critical Care' and shows the user's progress. Under the 'Learning Objectives' section, there is a list of objectives:

- Define delirium and its subtypes
- Recognise its signs and symptoms
- Discuss the impact of delirium
- Understand causes and risk factors
- Utilise an assessment tool
- Have an awareness of management strategies

Under the 'e-Learning module' section, there is a gold-colored box labeled 'Delirium for Critical Care' with a small icon to its right. A red arrow points to this box.

At the bottom of the page, there is a footer with the text: 'You are logged in as Antony thomas (Log out)'. There are also links for 'Privacy policy' and 'Troubleshooter'.

Press enter to start the course

The screenshot shows a web browser window with the URL <https://www.salfordlearning.nhs.uk/mod/scorm/view.php?id=2863>. The page header includes the Salford Royal NHS Foundation Trust logo and the user name 'Antony thomas'. A left-hand navigation menu lists various options such as Dashboard, Courses, Profile, SRFT Induction, SRFT Staff, Medical Students, PG Trainee Doctors, Volunteers, and Troubleshooter. The main content area is titled 'Delirium for Critical Care' and shows a breadcrumb trail: 'Dashboard / Recently viewed pages... / SRFT Staff / Critical Care / Delirium for Critical Care / e-Learning module / Delirium for Critical Care'. Below the title, there is a 'Contents' section with two items: 'Delirium for Critical Care' and 'Delirium for Critical Care(Score: 100)'. A checkbox labeled 'Start a new attempt' is present, with a blue 'Enter' button positioned directly below it. A large red arrow points upwards from the bottom of the page towards the 'Enter' button. At the bottom of the page, a dark blue footer contains the text 'You are logged in as Antony thomas (Log out)' and links for 'Privacy policy' and 'Troubleshooter'. The Windows taskbar is visible at the very bottom of the image.

- The course takes around 30 minutes but can be done in sections
- It's not perfect but it will give you a basic introduction to the topic.
- The protocol and a single page summary of the unit protocol can be found on Salfordcriticalcare.org.
